# CAYMAS CASH

**T**oday, many bass boat brands offer tournament contingency programs, but NONE of them delivers a bigger payout than CAYMAS CASH. How much you win depends on the tournament level, the number of boats entered, and the engine brand powering your Caymas Boat!

SCAN THE QR CODE FOR MORE INFORMATION

## PLATINUM LEVEL

A win in one of over 100 Caymas Dealer-sanctioned Platinum Level events in 13 tournament trails across the Southeast, Southwest and Central U.S. could mean our highest tier Caymas Cash payout!

## SILVER LEVEL

Caymas Cash rewards Caymas anglers who win one of over 1,000 Silver Level Tournaments our mid-tier Caymas Cash prize.

## BRONZE LEVEL

Registered Caymas owners who win a Caymas Cash Bronze Level tournament will earn our minimum tier Caymas Cash payout!

I won \$15,000 of Caymas Cash in my first year of owning my CX 20! It pays to run a Caymas.

*-Tony from Tennessee*

I've had my CX 21 for less than a year, and have already won \$14,000 of Caymas Cash. Not only is Caymas the best boat on the water today, but it also has the most lucrative contingency program out there!

*-Marcus from Missouri*

In a little over a year I have won over \$30K in Caymas Cash. If you're a serious tournament angler, you should be running a Caymas.

*-B.J. from Texas*

# CX 21

## PRO

The **CX 21 Pro** takes fishing to the next level, giving an enhanced competitive edge to the CX 21 model and effectively combining some of the most sought-after tournament industry features into full packages.

### PRO PACKAGE INCLUDES

# CX 21

The **CX line** of boats is the most innovative line of bass boats that Earl Bentz has ever built. The CX 21 is the flagship model of the CX line of "tournament-grade," high-performance bass boats, surpassing the competition by miles.

Length	21' 4"	Max Horsepower	300 HP	Livewell Capacity	44 GAL	Front Deck Width (Widest)		Length on Trailer (Motor down, tongue swung in)	
Beam	96"	Dry Weight (Without engine)	2,100 LBS	Fuel Capacity	50 GAL	6' 7"		24' 7"	

**FEATURED BOAT COLORS** Main: Rock Grey, **Accent:** White, **Pins:** Sea Foam.  
Pictures may show boats with optional features.

# CX 20

## PRO

With the challenges and demands of today's tournament angler, Earl Bentz has raised the bar even further from his long history of boating industry firsts with the innovations found on the CX 20 Pro.

### PRO PACKAGE INCLUDES

Lowrance Ghost  
**47"**  
Trolling Motor

Lowrance HDS

Pictures may show boats with optional features.

# CX 20

Through 40 years of innovative manufacturing, our founder, former world champion boat racer, Earl Bentz, has developed the CX 20, rapidly reaching the status of the new standard for premium tournament bass boats and is the fastest model in the CX family.

Length	20' 4"	Max Horsepower	250 HP	Livewell Capacity	44 GAL	Front Deck Width (Widest)	6' 7"	Length on Trailer (Motor down, tongue swung in)	23' 9"
Beam	96"	Dry Weight (Without engine)	2,000 LBS	Fuel Capacity	50 GAL				

**FEATURED BOAT COLORS** Main: Black Star, **Accent:** Silver Mist, **Pins:** Fire Element. Pictures may show boats with optional features.

# CX 19

The CX 19 is one of a kind in its segment, and is the largest boat in its class with an overall length of 19' 9" and a 96" beam. The pedigree of the CX line remains true with this model, and is what you would expect in an Earl Bentz designed boat.

Length	19' 9"	Max Horsepower	225 HP	Livewell Capacity	38 GAL	Front Deck Width (Widest)	6' 6"	Length on Trailer (Motor down, tongue swung in)	22' 10"
Beam	96"	Dry Weight (Without engine)	1,900 LBS	Fuel Capacity	50 GAL				

**FEATURED BOAT COLORS** *Main:* Thunder Cloud, *Accent:* Paradise Blue, *Pins:* Silver Mist. Pictures may show boats with optional features.

# CX 18 SS

Length  
**18' 6"**

Beam  
**94"**

Max Horsepower  
**175 HP**

Dry Weight  
(without engine)  
**1,800 LBS**

Livewell Capacity  
**38 GAL**

Fuel Capacity  
**42 GAL**

Length on Trailer  
(Motor down, tongue swung in)  
**21' 6"**

Front Deck Width  
(Widest)  
**6' 5"**

The **CX 18 SS** offers engine packages up to 175 horsepower with many upgraded features, and comes fully packed with a high-performance level to suit your style! The CX 18 SS will provide you with solid top-end speed, an extremely stable platform while fishing, and butter soft ride.

**FEATURED BOAT COLORS** **Main:** Fire Element, **Accent:** Silver Mist, **Pins:** No Pins. Pictures may show boats with optional features.

# CX 18 S

The **CX 18 S** offers the CX pedigree in a boat with unmatched maneuverability and is also extremely affordable. It's built with a lot of the same options and features as the larger models, and the high-quality craftsmanship you expect in an Earl Bentz built boat.

Length	18' 6"	Max Horsepower	115 HP	Livewell Capacity	38 GAL	Front Deck Width (Widest)	
Beam	94"	Dry Weight (Without engine)	1,700 LBS	Fuel Capacity	27 GAL		Length on Trailer (Motor down, tongue swung in)
						6' 5"	21' 6"

**FEATURED BOAT COLORS** *Main:* Tungsten, *Accent:* Fire Element, *Pins:* No Pins. Pictures may show boats with optional features.

# EARL BENTZ

CEO and  
Founder

## *A Legend In The Industry*

**E**arl Bentz literally grew up in the marine business. As a teenager, Bentz worked for his uncle, D. F. Jenkins, at his marine dealership in Charleston, South Carolina. Boat racing captured his imagination, and at age 16, Bentz drove in his first race, piloting the Blue Goose in an event on Lake Murray. Racing quickly became Bentz's passion, and he eventually became a nine-time National and two-time World Champion.

In 1975, Bentz accepted a position working with Hydra-Sports, a leading boat manufacturer in Nashville, Tennessee. It was during this time in his career that he became the first person to drive a bass boat powered by a V-6 outboard motor. In September 1983, Bentz resigned from Hydra-Sports to become President and founder of his first boat manufacturing company, Stratos Boats.

Under Bentz's direction, Stratos quickly became a leader in the fiberglass fishing boat industry. After Bentz sold Stratos to Outboard Marine Corporation (OMC) in January of 1987, he remained as President. Under his leadership, the OMC Fishing Boat Group became the world's largest producer of fiberglass fishing boats.

In May of 1996, Bentz founded Triton Boats, a premium line of saltwater and freshwater fishing boats. In 2005, Triton Boat Company was purchased by Brunswick Corporation and Bentz continued to serve as Triton's Founder and Chief Executive Officer until 2018.

In September 2018, Bentz founded Caymas Boats. Over the course of his fifty year career in the marine industry, Bentz has also contributed his time and expertise to the industry by serving on the Board of Directors of the National Marine Manufacturers Association, the National Association of Boat Manufacturers, the American Sportfishing Association, and the Boating Partnership Council.

## ADAM ADKISSON PRESIDENT

**ADAM ADKISSON** has been an outdoor enthusiast since childhood and has always had a passion for fishing and hunting. Adam is a native Tennessean, growing up in Oak Ridge and attending the University of Tennessee. Adam has more than two decades in the marine industry. Following a successful career as a consultant and contractor, it was an easy decision for Adam to join Brunswick Boat Group in the early 2000s in Knoxville as an Integration Manager.

As someone who always aspires to learn more, Adam joined Triton Boats as the Supply Chain Director and moved his wife, Gwen, and two young children, Wayland and Caylee, to middle Tennessee in 2005. Triton Boats was the perfect fit for Adam, an avid angler who frequently fished tournaments in freshwater and saltwater. Once at Triton, Adam quickly became integral to the core Triton leadership and rapidly advanced to Vice President of Sales and Marketing.

## TODD FALK VP SALES & MARKETING

**TODD FALK** joined the Caymas team in February of 2020. As a lifelong boater, fisherman, and outdoor enthusiast, Todd is passionate about the marine industry. He obtained his USCG Captains' license (Master-Mate 100 ton) at the age of 18, and spent most of his high school and college summers boating and fishing the waters of South Florida and the Bahamas. He received his undergraduate degree in mechanical engineering from Vanderbilt University in 2002, and worked as a project manager in the construction industry for 3 years before returning to Vanderbilt to complete his Masters in Business Administration.

When the chance to join Caymas Boats arose, Todd eagerly jumped at the opportunity to combine his passion for boating and fishing with his business experience. Todd serves as Vice President of Sales and Marketing, and is actively involved in new product development and design. Todd resides in Nashville, TN with his wife, Amelia, and their two sons, Fletcher and Jackson. They can be found on the lake, at the farm, or on the water between Stuart and Ocean Reef Club.

# FACTORY

**F**ounded in 2018, our factory in Ashland City, Tennessee, is dedicated to the distinguished design and meticulous construction of the highest-quality custom fiberglass fishing boats in the world. Caymas Boats' build team consists of some of the most highly experienced craftsmen in the industry—men and women who share a passion for creating a superior product.

As a pioneer in the bass boat manufacturing industry, our founder, marine industry veteran Earl Bentz, had a vision for Caymas' Freshwater Division—to build his best-performing bass boat to date. With an average of 30 years of experience in

fiberglass manufacturing, our freshwater development team strives to provide our customers with a dry ride, maximum speed and comfort, superior safety and effortless performance.

Caymas Boat owners experience unmatched performance and function, through the use of exceptional materials and the latest marine technology. Our commitment to outstanding customer service and support is unrivaled, and stands proudly at the forefront of our mission. We strive to build the most superior freshwater and saltwater boats on the market, providing fishermen and their families with a lifetime of great memories, and a phenomenal ride along the way.

“

I have been with another brand since 1995. I joined the Caymas family in 2019 getting a CX 21. In my opinion, these are the best riding, easiest to drive, well thought out boats on the market. The fit and finish, clean wiring under the console, and the access panels in the rear to get to pumps for quick change out is best of class. Earl has knocked it out of the park with this boat!!

”

- Todd Goade

My CX 21 is the most comfortable boat I've ever owned. I'm proud to be apart of the #caymasfamily.

- Ed Stiefel

I am so excited about my new office! My Caymas CX 21 is the BEST performing bass boat Earl Bentz has ever designed.

- Gary Klein

I absolutely love the deck space and layout of the Caymas CX21. Being a full time guide and tournament fisherman, I have to have a boat that has a lot of room and storage... This is the one.

-Brandon Hunter

I've never been in a boat that compares to the ride and performance of my CX 20. It drives like a dream.

- Scott Hardin

“

It takes a lot to impress me, and this is by far the best bass boat I have ever owned, and I've owned them all!

- Michal Adlof

My CX 20 is a fishing machine! I absolutely love this boat!

- Russel

I can't say enough great things about my Caymas. The fit and finish, fishability, ride, and comfort are second to none!

- Mark

”

## CONSTRUCTION

- Limited lifetime hull warranty
- Three (3) year limited component warranty
- 100% composite construction—no wood
- Tri-core composite transom
- High performance resin and barrier coat
- Hull hand laid fiberglass construction
- Zero-flex fully foamed stringer system
- Premium gelcoat with UV inhibitors
- Plumbing and electrical systems factory tested

## SAFETY AND QUALITY

- Automatic bilge pump
- Electric bilge pump
- Finished bilge compartment with access doors to pumps and batteries
- Built-in LED bow navigation lights
- Custom digital switching with tinned wiring
- Circuit breaker protected tinned wiring with custom switches
- Horn
- Non-skid aft step mat
- Non-skid bow step mat
- Plexiglass tinted removable windshield—two (2) on dual console
- Recessed retractable boarding ladder
- Stainless steel boarding grab handle
- Retractable passenger grab handle
- Stainless steel passenger grab handle
- Hot Foot throttle
- LED cockpit courtesy light
- SeaStar hydraulic steering
- Tilt steering wheel
- Custom polished aluminum jackplate
- Waterproof stainless steel compartment latches
- Stainless steel bow, mid-ship, and stern pull-up cleats

## TRAILER FEATURES

- Tandem axle with disc brakes on both axles
- Channel frame with custom fitted bunks
- Custom 14" aluminum wheels and balanced radial tires with matching spare tire
- Vault Hubs with 10 year limited warranty
- Swing tongue
- Dutton-Lainson Winch and jack
- Ratchet trailer tie downs
- Seven pin trailer plug
- Easy-step oversized bow step pad
- Aluminum diamond-plate tread for front and rear step pads
- Caymas lighted step pads
- LED waterproof tail, marker, and reverse lights
- Rock Guard polyurea with clearcoat protective finish
- Custom pin stripe to match boat

## FISHING FEATURES

- Two (2) independent high capacity rear insulated livewells
- Two (2) 800 gph livewell aerator pumps
- Two (2) 800 gph livewell recirculation pumps
- Two (2) 800 gph livewell pump-out pumps
- Livewell timer
- Livewell overflow system
- One (1) bike seat and pro-pole
- One (1) fold-down fishing seat
- Two (2) front deck seat locations
- Three (3) retractable rod buckles—two (2) at bow, one (1) at rod ramp
- Front deck tool and pliers organizer with cup holder
- 6-gauge trolling motor harness
- 10-gauge clean power harness for electronics
- Oversized bow trim switch buttons for easy foot operation
- Deck recess for trolling motor foot pedal
- Built-in fish measuring board with tool holder
- Fully finished fiberglass boxes throughout with custom mats
- LED compartment lights
- LED livewell lights
- Stainless steel bilge and livewell discharge plate
- Passenger side rod ramp
- Passenger footrest with integrated tackle/storage drawer
- Locking oversized storage boxes
- Folding fish net with custom holder
- Center bow rod box with tackle organizing system

## COMFORT AND CONVENIENCE

- Center console storage with fiberglass lid
- Driver's console with extended leg room
- Custom 5" digital gauge with data display
- Lid pistons on storage and rod boxes
- Stainless steel bow and transom eyes
- Turn-signal trim on steering wheel (single)
- Fully insulated built-in ice chest with custom Surf Turf mat
- Four (4) stainless steel drink holders in cockpit
- Plush 24 oz carpet with edge trim
- Remote drain plug
- Trolling motor battery trays
- Chrome fuel fill

### CONSTRUCTION

- Limited lifetime hull warranty
- Three (3) year limited component warranty
- 100% composite construction—no wood
- Tri-core composite transom
- High performance resin and barrier coat
- Hull hand laid fiberglass construction
- Zero-flex fully foamed stringer system
- Premium gelcoat with UV inhibitors
- Plumbing and electrical systems factory tested

### SAFETY AND QUALITY

- Automatic bilge pump
- Electric bilge pump
- Finished bilge compartment with access doors to pumps and batteries
- Built-in LED bow navigation lights
- Custom digital switching with tinned wirings
- Circuit breaker protected tinned wiring with custom switches
- Horn
- Non-skid aft step mat
- Non-skid bow step mat
- Plexiglass tinted removable windshield—two (2) on dual console
- Recessed retractable boarding ladder
- Stainless steel boarding grab handle
- Retractable passenger grab handle
- Stainless steel passenger grab handle
- Hot Foot throttle
- LED cockpit courtesy light
- SeaStar hydraulic steering
- Tilt steering wheel
- Custom polished aluminum jackplate
- Waterproof stainless steel compartment latches
- Stainless steel bow, mid-ship, and stern pull-up cleats

### TRAILER FEATURES

- Tandem axle with disc brakes on one axle
- Channel frame with custom fitted bunks
- Custom 14" aluminum wheels and balanced radial tires with matching spare tire
- Vault Hubs with 10 year limited warranty
- Swing tongue
- Dutton-Lainson Winch and jack
- Ratchet trailer tie downs
- Seven pin trailer plug
- Easy-step oversized bow step pad
- Aluminum diamond-plate tread for front and rear step pads
- Caymas lighted step pads
- LED waterproof tail, marker, and reverse lights
- Rock Guard polyurea with clearcoat protective finish
- Custom pin stripe to match boat

### FISHING FEATURES

- Two (2) independent high capacity rear insulated livewells
- Two (2) 800 gph livewell aerator pumps
- Two (2) 800 gph livewell recirculation pumps
- Two (2) 800 gph livewell pump-out pumps
- Livewell timer
- Livewell overflow system
- One (1) bike seat and pro-pole
- One (1) fold-down fishing seat
- Two (2) front deck seat locations
- Three (3) retractable rod buckles—two (2) at bow, one (1) at rod ramp
- Front deck tool and pliers organizer with cup holder
- 6-gauge trolling motor harness
- 10-gauge clean power harness for electronics
- Oversized bow trim switch buttons for easy foot operation
- Deck recess for trolling motor foot pedal
- Built-in fish measuring board with tool holder
- Fully finished fiberglass boxes throughout with custom mats
- LED compartment lights
- LED livewell lights
- Stainless steel bilge and livewell discharge plate
- Passenger side rod ramp
- Passenger footrest with integrated tackle/storage drawer
- Locking oversized storage boxes
- Folding fish net with custom holder
- Center bow rod box with tackle organizing system

### COMFORT AND CONVENIENCE

- Custom color selection for entire boat and upholstery
- Custom suspension driver and passenger bucket seats with adjustable slides
- Surf Turf cockpit flooring
- Stainless steel prop
- AGM cranking battery
- Fully padded front deck including lids
- Custom steering wheel
- Dual Pro 4 x 15 battery charger
- Center console storage with fiberglass lid
- Driver's console with extended leg room
- Custom 5" digital gauge with data display
- Lid pistons on storage and rod boxes
- Stainless steel bow and transom eyes
- Turn-signal trim on steering wheel (single)
- Fully insulated built-in ice chest with custom Surf Turf mat
- Four (4) stainless steel drink holders in cockpit
- Plush 24 oz carpet with edge trim
- Remote drain plug
- Trolling motor battery trays
- Chrome fuel fill

(Pictured trailer may show optional features)

## FIBERGLASS LIMITED LIFETIME WARRANTY

Caymas Boats, LLC provides the following Limited Lifetime Warranty to the original retail owner of a new Caymas Boat. This warranty provides the owner with specific coverage against defects in materials or workmanship and notes the owner's responsibilities in maintaining and operating the boat. This warranty provides you with specific coverage and notes your responsibilities in maintaining and operating your boat. Please take the time to read and become familiar with this warranty.

The boat must be warranty registered by the dealer via the Caymas dealer portal within thirty (30) days from the original retail purchase date before any warranty request can be processed.

### PERIOD OF WARRANTY

Any new Caymas™ boat purchased for non-commercial use from any authorized Caymas Boat dealer in the continental United States by the original retail purchaser will be warranted for as long as the original owner owns the boat against major structural defects in material or workmanship in the hull, stringers and transom and also have a component warranty for the warranty periods specified herein.

### COMPONENT WARRANTY

Some factory installed parts and component Warranty Period is three (3) years from the date of purchase subject to the limitations as outlined below. This component warranty may not be transferred to a second purchaser even during that three (3) year period. These parts include, but are not limited to:

- Carpet defects
- Steering helm, cylinder, hoses and cables
- Aeration pumps, valves and timer
- Boat electrical system

Defects in the exterior cosmetic gelcoat finish (cracks or crazing) and upholstery: Warranty period runs one (1) year from the date of delivery to the original retail purchaser. Repairs will only be authorized after Caymas Boats is satisfied that there is a defect in material or workmanship.

### OBTAINING REPAIRS UNDER WARRANTY

During the period of warranty, Caymas Boats or its authorized representative will, free of charge, repair or replace, at its sole discretion, any part adjudged defective by Caymas Boats due to faulty workmanship or material from the factory provided the original owner returns the boat, with transportation pre-paid, to the selling dealer or, if necessary, to the Caymas Boats factory or any other reasonable place designated by Caymas. The liability of Caymas Boats shall in no event exceed the actual cash value of the covered item. The boat owner will be responsible for all transportation, haul outs, loss of time, inconvenience, travel expenses, loss of use, launch, towing, storage and other expenses incurred in returning the boat for warranty service. All parts replaced under warranty shall become the property of Caymas™ Boats.

### EXCLUSIONS FROM WARRANTY

This warranty will not cover the repair of damages as a result of abuse, alteration, modification or neglect, such as, but not limited to: modification of original parts, abnormal strain, lack of proper maintenance and off-season storage described in the owner's manual, acts of God, damage as a result of accidents, collisions, contact with foreign materials, improper trailering, submersion, unreasonable use, etc.
