*THE NEW STANDARD IN QUALITY AND PERFORMANCE*

# CAYMAS CASH

MORE TOURNAMENTS.  
BIGGER PAYOUTS.

## TOURNAMENT INCENTIVE PROGRAM

COMPETE...WIN... **EARN up to \$10,000** IN A CAYMAS BOAT!\*

Today, many bass and multi-species boat brands offer tournament contingency programs, but NONE of them delivers a bigger payout than CAYMAS CASH. There is more than \$17 MILLION of potential payout on the line every single year. In all Platinum Level Events, the highest finisher will receive \$2,500 or \$10,000 for a win.

For the most up to date list of sanctioned trails please visit [www.caymascash.com](http://www.caymascash.com) or scan this QR code.

Win Up to \$10,000

**\$2,500**

Guaranteed to the highest finisher

Win Up to \$7,000

More than 1,000 sanctioned tournaments, only difference between Silver and Bronze:  
Silver = 60+ boats  
Bronze = 31-59 boats

If a Silver event has less than 60 boats, then Bronze payout will be \$500 for winner.

### REQUIREMENTS FOR WINNING CAYMAS CASH:

- Caymas owner must be registered in Caymas Cash prior to event
- Claim forms must be submitted within 30 days of tournament
- Winners must accompany a photo wearing a Caymas hat (at minimum) with claim form
- Registered owner must fish from his or her boat to be eligible
- For complete rules and details please visit [www.caymascash.com](http://www.caymascash.com)

I won \$15,000 of Caymas Cash in my first year of owning my CX 20! It pays to run a Caymas.  
-Tony from Tennessee

I've had my CX 21 for less than a year, and have already won \$14,000 of Caymas Cash. Not only is Caymas the best boat on the water today, but it also has the most lucrative contingency program out there!  
-Marcus from Missouri

In a little over a year I have won over \$30K in Caymas Cash. If you're a serious tournament angler, you should be running a Caymas.  
-B.J. from Texas

# XS 21

The Caymas XS 21 ascends to the pinnacle of fishing excellence for speed, fishability, and overall comfort. Gone are the days of soaked carpet. Utilizing our advanced light resin transfer molding process, the XS 21 sports the newest closed-cell foam flooring on top of its fully finished fiberglass lids, giving anglers a clean look and versatile platform to dominate any tournament circuit.

# XS 20

The Caymas XS 20 is a breakthrough in fishing engineering that features no carpet in the boat. Instead, the boat offers advanced marine flooring consisting of a padded non-skid boating surface, replacing the carpeted lids with a comfortable and durable closed cell foam flooring over full finished fiberglass lids. The XS 20 retains all the high-performance and tournament features of the CX 20.

# DV 19

The new Caymas Multi-Species Model DV 19 is the perfect boat for the angler who demands exceptional performance in a smaller, more agile package. With a max HP of 225, the DV 19 is built to handle the toughest conditions with ease. Like its larger sibling, the DV 22, this boat is designed to provide a smooth, dry ride in rough water, while still delivering industry-leading performance.

# OUR TEAM

## EARL BENTZ CEO AND FOUNDER

### A Legend in the Industry

**E**arl Bentz literally grew up in the marine business. As a teenager, Bentz worked for his uncle, D. F. Jenkins, at his marine dealership in Charleston, South Carolina. Boat racing captured his imagination, and at age 16, Bentz drove in his first race, piloting the Blue Goose in an event on Lake Murray. Racing quickly became Bentz's passion, and he eventually became a nine-time National and two-time World Champion.

In 1975, Bentz accepted a position working with Hydra-Sports, a leading boat manufacturer in Nashville, Tennessee. It was during this time in his career that he became the first person to drive a bass boat powered by a V-6 outboard motor. In September 1983, Bentz resigned from Hydra-Sports to become President and founder of his first boat manufacturing company, Stratos Boats.

Under Bentz's direction, Stratos quickly became a leader in the fiberglass fishing boat industry. After Bentz sold Stratos to Outboard Marine Corporation (OMC) in January of 1987, he

remained as President. Under his leadership, the OMC Fishing Boat Group became the world's largest producer of fiberglass fishing boats.

In May of 1996, Bentz founded Triton Boats, a premium line of saltwater and freshwater fishing boats. In 2005, Triton Boat Company was purchased by Brunswick Corporation and Bentz continued to serve as Triton's Founder and Chief Executive Officer until 2018.

In September 2018, Bentz founded Caymas Boats. Over the course of his fifty year career in the marine industry, Bentz has also contributed his time and expertise to the industry by serving on the Board of Directors of the National Marine Manufacturers Association, the National Association of Boat Manufacturers, the American Sportfishing Association, and the Boating Partnership Council.

## ADAM ADKISSON PRESIDENT

**ADAM ADKISSON** has been an outdoor enthusiast since childhood and has always had a passion for fishing and hunting. Adam is a native Tennessean, growing up in Oak Ridge and attending the University of Tennessee. Adam has more than two decades in the marine industry. Following a successful career as a consultant and contractor, it was an easy decision for Adam to join Brunswick Boat Group in the early 2000s in Knoxville as an Integration Manager.

As someone who always aspires to learn more, Adam joined Triton Boats as the Supply Chain Director and moved his wife, Gwen, and two young children, Wayland and Caylee, to middle Tennessee in 2005. Triton Boats was the perfect fit for Adam, an avid angler who frequently fished tournaments in freshwater and saltwater. Once at Triton, Adam quickly became integral to the core Triton leadership and rapidly advanced to Vice President of Sales and Marketing.

## TODD FALK VP SALES & MARKETING

**TODD FALK** joined the Caymas team in February of 2020. As a lifelong boater, fisherman, and outdoor enthusiast, Todd is passionate about the marine industry. He obtained his USCG Captains' license (Master 100 ton) at the age of 18, and spent most of his high school and college summers boating and fishing the waters of South Florida and the Bahamas. He received his undergraduate degree in mechanical engineering from Vanderbilt University in 2002, and worked as a project manager in the construction industry for 3 years before returning to Vanderbilt to complete his Masters in Business Administration.

When the chance to join Caymas Boats arose, Todd eagerly jumped at the opportunity to combine his passion for boating and fishing with his business experience. Todd serves as Vice President of Sales and Marketing, and is actively involved in new product development and design. Todd resides in Nashville, TN with his wife, Amelia, and their two sons, Fletcher and Jackson. They can be found on the lake, at the farm, or on the water between Stuart and Ocean Reef Club.

# BUILD YOUR OWN BOAT

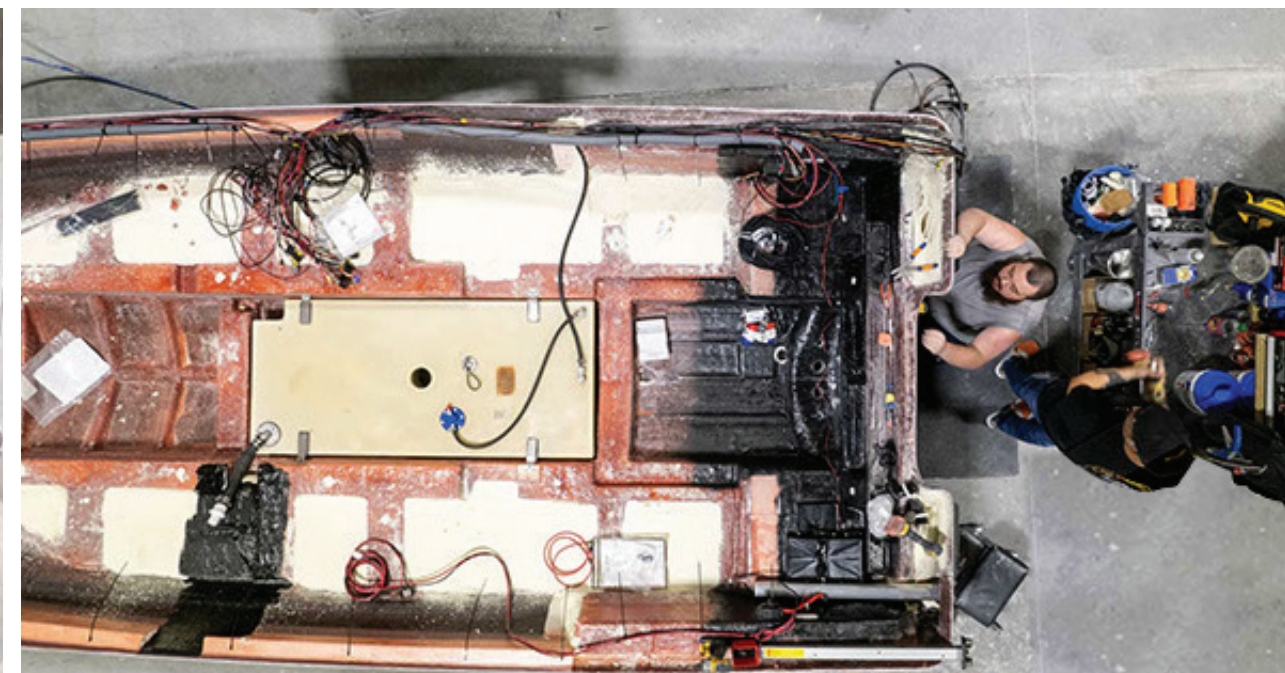

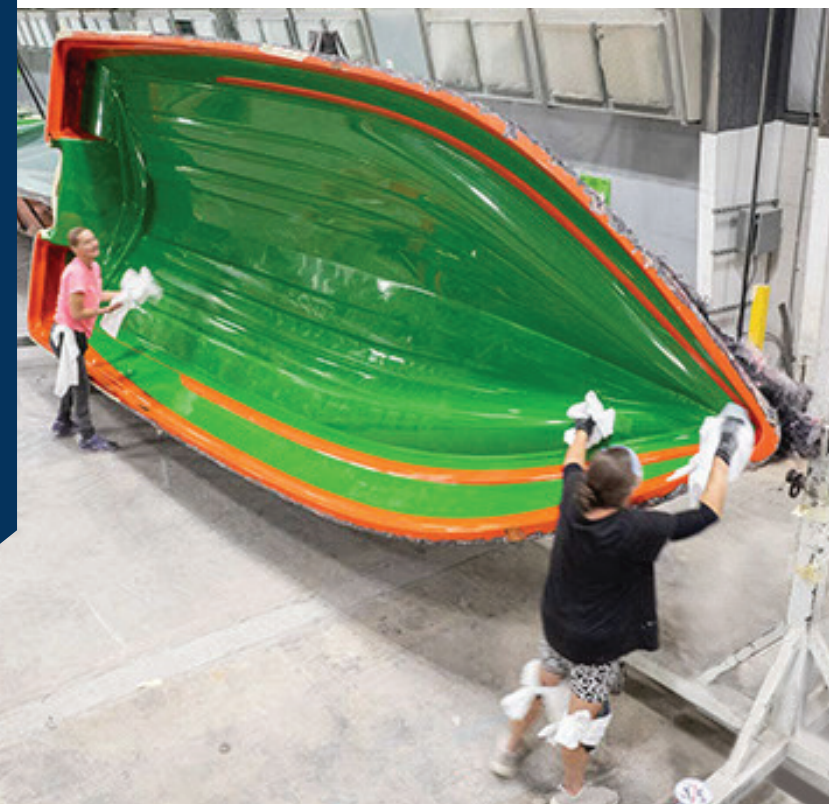

# OUR FACTORY

Founded in 2018, our factory in Ashland City, Tennessee, is dedicated to the distinguished design and meticulous construction of the highest-quality custom fiberglass fishing boats in the world. Caymas Boats' build team consists of some of the most highly experienced craftsmen in the industry—men and women who share a passion for creating a superior product.

As a pioneer in the bass boat manufacturing industry, our founder, marine industry veteran Earl Bentz, had a vision for Caymas' Freshwater Division—to build his best-performing bass and multi-species boats to date. With an average of 30 years of experience in fiberglass manufacturing, our freshwater development team strives to provide our customers with a dry ride, maximum speed and comfort, superior safety and effortless performance.

Caymas Boat owners experience unmatched performance and function, through the use of exceptional materials and the latest marine technology. Our commitment to outstanding customer service and support is unrivaled, and stands proudly at the forefront of our mission. We strive to build the most superior freshwater and saltwater boats on the market, providing fishermen and their families with a lifetime of great memories, and a phenomenal ride along the way.

I get so many compliments about how sharp this rig is. Once you climb in the boat, you will notice the extremely large storage compartments on the bow. From the storage to the large padded fishing platform, this boat is set up for any type of angler! I chose the high speed pickup system for my live wells. When making long runs I never have to worry about my fish having water over their back. With speeds of 76MPH, this boat is smooth and fun to drive. It's been my choice since the day Earl Bentz released this model.

- Will Beutjer

Best riding bass boat in the industry!

- Bobbie Paul

The CX21 Pro is a smooth and dry ride, for those rough days on big water. And with a surprisingly shallow draft, I can get this boat wherever I need to go.

- Matthew Belletini

After 30+ yrs tournament fishing and 9 other boats, my 2022 CX20 Pro is the best all round boat I have owned. The combination of performance, layout, fishability and dry ride is the best I have experienced so far.

- Kent Lodari

Where luxury, quality, performance, fishability, and comfort are all combined into a fishing machine.

- Jimmy Rawlston

I have had the Cx 20 Pro for over 2 years now on Truman Lake. This boat has exceeded all my expectations and the ride is nothing short of spectacular. The most impressive thing about Caymas is not just their boats for me though, it is their customer service. Will be buying another one in the future!

-Dylan Enlow

I have a CX 21. it's the first boat that I've owned that I actually look for waves to hit on purpose. It handles rough water like no other.

- Ed String

It takes a lot to impress me, and this is by far the best bass boat I have ever owned, and I've owned them all!

- Michal Adlof

The CX 18SS is an incredible boat. This boat fishes much bigger than most 18 1/2 foot boats do and the ride is extremely smooth!

- Karl Thomason

I have fished Lake of the Ozarks for years. The lake is known for how rough it gets with all the boat traffic. After purchasing my CX 20, I gained over an hour of fishing time a day being able to run harder. The ride and fishability is second to none.

- Joe Brantley

I am so excited about my new office! My Caymas CX 21 is the BEST performing bass boat Earl Bentz has ever designed.

- Gary Klein

I've owned 15 Bassboats over the years. I've owned a few of all of Earl Bentz's previous brands of boats. Caymas is by far the best one yet! I love my CX 21.

- Jerry Murray

My 2020 Caymas CX 21 is far superior and ranks #1 in rough water ride, fishability, and comfort. No other boat compares!

-Dan Long

# XS 21 PRO

# XS 20 PRO

\*Pictured boat may show optional features

## PRO MODEL FEATURES:

- Lowrance Ghost 47" trolling motor
- Lowrance® HDS 9" PRO at bow
- Lowrance® HDS 9" PRO at console
- Lowrance® 2-IN-1 Active Imaging
- Lowrance Point-1 antenna
- NEMA harness
- Ethernet cable
- Oxygen Innovations livewell system
- Keel protection
- Custom boat cover
- Dual disc brake upgrade on trailer

### CONSTRUCTION

- Limited lifetime hull warranty and a 3-year limited component warranty
- 100% composite construction - no wood
- Tri-core composite transom
- High-performance resin and barrier coat
- Hand-laid fiberglass construction
- Zero-flex fully foamed stringer system
- Premium gelcoat with UV inhibitors
- Factory-tested plumbing and electrical systems

### TRAILER FEATURES

- Tandem axle with disc brakes
- Custom 14" aluminum wheels and balanced radial tires
- Vault Hubs with a 10-year limited warranty
- Swing tongue and Dutton-Lainson winch and jack
- Ratchet trailer tie-downs and a seven-pin trailer plug
- Easy-step oversized bow step pad
- LED waterproof tail, marker, and reverse lights
- Rock Guard polyurea with clearcoat protective finish

### COMFORT AND CONVENIENCE

- Custom color selection for the entire boat and upholstery
- Custom suspension driver and passenger bucket seats
- AquaTraction deck and cockpit flooring
- Fully finished fiberglass lids and a custom steering wheel
- Dual Pro 4 x 15 battery charger and AGM cranking battery
- Center console storage with fiberglass lid
- Lid pistons on storage and rod boxes
- Fully insulated built-in ice chest
- Stainless steel drink holders and a remote drain plug

### FISHING FEATURES

- Two independent high-capacity rear insulated livewells
- Livewell capacity of 44 gallons
- Livewell timer and overflow system
- Multiple livewell pumps for aeration, recirculation, and pump-out
- One bike seat and pro-pole, one fold-down fishing seat
- Front deck tool and plier organizer with cupholder
- Built-in fish measuring board with tool holder
- Fully finished fiberglass boxes throughout with custom mats
- LED compartment and livewell lights
- Passenger side rod ramp and footrest with integrated tackle/storage drawer
- Locking oversized storage boxes and a folding fish net with custom holder
- Center bow rod box with tackle organizing system

### SAFETY AND QUALITY

- Automatic and electric bilge pumps
- Finished bilge compartment with easy access to pumps and batteries
- Built-in LED bow navigation lights and removable LED stern light
- Custom digital switching with tinned wiring
- Non-skid aft and bow step mats
- Plexiglass tinted removable windshield
- Recessed retractable boarding ladder and stainless steel grab handles
- SeaStar hydraulic steering and tilt steering wheel
- Waterproof stainless steel compartment latches
- Stainless steel pull-up cleats at bow, mid-ship, and stern

- Passenger side rod ramp
- Passenger footrest with integrated tackle/storage drawer
- Locking oversized storage boxes
- Folding fish net with custom holder
- Center bow rod box with tackle organizing system

## COMFORT AND CONVENIENCE

- Custom color selection for entire boat and upholstery
- Custom suspension driver and passenger bucket seats with adjustable slides
- Surf Turf cockpit flooring
- Stainless steel prop
- AGM cranking battery
- Fully padded front deck including lids
- Custom steering wheel
- Dual Pro 4 x 15 battery charger
- Center console storage with fiberglass lid
- Driver's console with extended leg room
- Custom 5" digital gauge with data display
- Lid pistons on storage and rod boxes
- Stainless steel bow and transom eyes
- Turn-signal trim on steering wheel (single)
- Fully insulated built-in ice chest with custom Surf Turf mat
- Four (4) stainless steel drink holders in cockpit
- Plush 24 oz carpet with edge trim
- Remote drain plug
- Trolling motor battery trays
- Chrome fuel fill

## FISHING FEATURES

- Two (2) independent high capacity rear insulated livewells
- Two (2) 800 gph livewell aerator pumps
- Two (2) 800 gph livewell recirculation pumps
- Two (2) 800 gph livewell pump-out pumps
- Livewell timer
- Livewell overflow system
- One (1) bike seat and pro-pole
- One (1) fold-down fishing seat
- Two (2) front deck seat locations
- Three (3) retractable rod buckles—two (2) at bow, one (1) at rod ramp
- Front deck tool and pliers organizer with cup holder
- 6-gauge trolling motor harness
- 10-gauge clean power harness for electronics
- Oversized bow trim switch buttons for easy foot operation
- Deck recess for trolling motor foot pedal

### SAFETY AND QUALITY

- Electric bilge pump with automatic float switch
- Finished bilge compartment with access doors to pumps and batteries
- Built-in LED bow navigation lights
- Removable LED stern light
- Circuit breaker protected tinned wiring with custom switches
- Horn
- Non-skid aft step mat
- Non-skid bow step mat
- Plexiglass tinted removable windshield—two (2) on dual console
- Recessed retractable boarding ladder
- Stainless steel boarding grab handle
- Retractable passenger grab-handle
- Stainless steel passenger grab handle
- LED cockpit courtesy light
- SeaStar non-tilt hydraulic steering and steering wheel
- Six-inch (6") fixed setback plate
- Stainless steel bow and stern pull-up cleats

### TRAILER FEATURES

- Single axle channel frame trailer with disc brakes
- Custom 14" aluminum wheels and balanced radial tires with matching spare tire
- Vault Hubs with 10 year limited warranty
- Swing tongue
- Winch and jack
- Seven pin trailer plug
- Aluminum diamond-plate tread for front and rear step pads
- Caymas lighted step pads
- LED waterproof tail, marker, and reverse lights
- Rock Guard polyurea finish
- Custom pin stripe to match boat

### FISHING FEATURES

- High-capacity rear insulated livewell with divider
- 800 gph livewell aerator pump
- 800 gph livewell recirculation pump
- 800 gph livewell pump-out pump
- Livewell timer
- Livewell overflow system
- One (1) bike seat and pro-pole
- One (1) fold-down fishing seat
- Two (2) front deck seat locations
- Two (2) retractable rod buckles—one (1) bow, one (1) rod ramp
- Front deck tool and plier organizer with cupholder
- 6-gauge trolling motor harness
- 10 gauge clean power harness for electronics
- Bow trim switch for easy operation
- Deck recess for trolling motor foot pedal

- Fully finished fiberglass boxes throughout with custom mats
- Stainless steel bilge and livewell discharge plate
- Passenger side rod ramp
- Locking oversized storage boxes
- Center bow storage box with tackle organizing system

### COMFORT AND CONVENIENCE

- Custom suspension driver and passenger bucket seats
- Surf Turf cockpit flooring
- Stainless steel prop
- Cranking battery
- Custom steering wheel
- Dual Pro 2 x 6 battery charger
- Center console storage with fiberglass lid
- Driver's console with extended leg room
- Custom 5" digital gauge with data display
- Lid pistons on storage and rod boxes
- Stainless steel bow and transom eyes
- Fully insulated built-in ice chest with custom Surf Turf mat
- Four (4) stainless steel drink holders in cockpit
- Plush 24 oz carpet with edge trim
- Trolling motor battery trays
- Chrome fuel fill

# FIBERGLASS LIMITED LIFETIME WARRANTY

Caymas Boats, LLC provides the following Limited Lifetime Warranty to the original retail owner of a new Caymas Boat. This warranty provides the owner with specific coverage against defects in materials or workmanship and notes the owner's responsibilities in maintaining and operating the boat. This warranty provides you with specific coverage and notes your responsibilities in maintaining and operating your boat. Please take the time to read and become familiar with this warranty.

The boat must be warranty registered by the dealer via the Caymas dealer portal within thirty (30) days from the original retail purchase date before any warranty request can be processed.

## Period of Warranty

Any new Caymas™ boat purchased for non-commercial use from any authorized Caymas Boat dealer in the continental United States by the original retail purchaser will be warranted for as long as the original owner owns the boat against major structural defects in material or workmanship in the hull, stringers and transom and also have a component warranty for the warranty periods specified herein.

## Component Warranty

Some factory installed parts and component Warranty Period is three (3) years from the date of purchase subject to the limitations as outlined below. This component warranty may not be transferred to a second purchaser even during that three (3) year period. These parts include, but are not limited to:

- Carpet defects
- Steering helm, cylinder, hoses and cables
- Aeration pumps, valves and timer
- Boat electrical system

Warranty period runs one (1) year from the date of delivery to the original retail purchaser on the following items: defects in the exterior cosmetic gelcoat finish (cracks or crazing), upholstery and upholstered surfaces, all closed-cell flooring and accent pieces, and all fiberglass lids. Repairs will only be authorized after Caymas Boats is satisfied that there is a defect in material or workmanship.

## Obtaining Repairs Under Warranty

During the period of warranty, Caymas Boats or its authorized representative will, free of charge, repair or replace, at its sole discretion, any part adjudged defective by Caymas Boats due to faulty workmanship or material from the factory provided the original owner returns the boat, with transportation prepaid, to the selling dealer or, if necessary, to the Caymas Boats factory or any other reasonable place designated by Caymas. The liability of Caymas Boats shall in no event exceed the actual cash value of the covered item. The boat owner will be responsible for all transportation, haul outs, loss of time, inconvenience, travel expenses, loss of use, launch, towing, storage and other expenses incurred in returning the boat for warranty service. All parts replaced under warranty shall become the property of Caymas™ Boats.

## Exclusions From Warranty

This warranty will not cover the repair of damages as a result of abuse, alteration, modification or neglect, such as, but not limited to: modification of original parts, abnormal strain, lack of proper maintenance and off-season storage described in the owner's manual, acts of God, damage as a result of accidents, collisions, contact with foreign materials, improper trailering, submersion, unreasonable use, etc.
