Our founder, former world champion boat racer Earl Bentz, puts his heart and soul into developing the best high-performance premium tournament bass boats in the business. Through 40 years of innovative manufacturing, Earl has developed the CX 20, rapidly reaching the status of the new standard for premium tournament bass boats and the fastest model in the CX family.

new standard, such as: fully padded front deck, fiberglass finished compartments, Surf-Turf cockpit flooring, redundant digital switching system, molded-in trolling motor wedge, easy access hatches to all of your pumps in the bilge area, and much more.

When you pair the CX 20 with a 250hp outboard, you'll experience a level of performance that makes veteran competitive anglers turn their head. Perfection isn't the goal at Caymas; it's the demand in every boat that leaves the factory. Check out the CX 20 at your closest dealer today!

The CX 20 is making a name for itself for blistering top-end speed and the reputation for being able to handle even the roughest of tournament waters. Inside of the CX 20, you will find countless reasons why this boat is the
