Meet the 291, the latest addition to the highly acclaimed Hybrid Series from Caymas Boats. This stunning offshore hybrid model is designed for those who demand both performance and versatility, making it the largest and most robust member of the family.

Unmatched Performance for the Serious Angler

Crafted with the hardcore angler in mind, the 291 delivers exceptional stability and handling in offshore conditions. Its innovative design features an open bow and higher freeboard, ensuring you can navigate the toughest waters with confidence. Experience the thrill of the catch without compromising on comfort or safety.

Versatility for Family Adventures

While the 291 excels in performance, it also embraces the needs of the entire family. With spacious seating and thoughtful amenities, it's perfect for everything from an afternoon of fishing to an elegant evening dinner cruise. Enjoy a day at the sandbar with loved ones, knowing that the 291 has you covered.

Key Features

- **Open Bow Design:** Maximize space and accessibility for anglers and families alike.
- **Higher Freeboard:** Enhanced safety and stability for offshore adventures.
- **Family-Friendly Amenities:** Thoughtfully designed features for comfortable cruising and relaxation.
- **Superior Craftsmanship:** Built with high-quality materials for durability and performance.
- **Hybrid Versatility:** A true blend of fishing and leisure, perfect for all your boating needs.

Join the Caymas Community

With the launch of the 291, you're not just investing in a boat; you're joining a community of passionate boaters who value quality and performance. Share your experiences, connect with fellow enthusiasts, and embark on unforgettable adventures.

THIS STUNNING OFFSHORE HYBRID MODEL IS DESIGNED FOR THOSE WHO DEMAND BOTH PERFORMANCE AND VERSATILITY, MAKING IT THE LARGEST AND MOST ROBUST MEMBER OF THE HB FAMILY.
