The Caymas 44 CT is the latest addition to our revolutionary lineup, and it brings a whole new dimension of performance and luxury to the catamaran market.

Keeping pace with Caymas tradition, the 44 CT doesn't just focus on performance, it also delivers luxury and comfort for family outings. With plush chaise lounge seating, dual row seating at the helm this boat offers the perfect combination of functionality and relaxation.

SOMETIMES, you need to redefine expectations and create something extraordinary. At Caymas, we pride ourselves on delivering groundbreaking innovation and unparalleled customization, ensuring the highest level of quality for competitive fishermen and everyday anglers alike.

The Caymas 44 CT is the latest addition to our revolutionary lineup, and it brings a whole new dimension of performance, comfort, and luxury to the center console market.

This 44-foot masterpiece is built for those who demand more from their offshore vessel. The 44 CT is engineered to exceed every expectation. Designed with semi-asymmetric double-stepped hulls and an impressive 12-foot beam, this boat combines stability, efficiency, and superior handling to dominate rough waters with ease. Add to that the 16.5°/21.8° deadrise, and you have a vessel that can cut through anything Mother Nature throws its way while keeping you dry and comfortable.

The Caymas 44 CT offers an incredible 1,000 gallons of fuel capacity, allowing you to venture further and stay longer on your adventures. With a draft of just 26 inches, you can confidently explore shallow waters without sacrificing offshore capability.

Built for serious anglers, the 44 CT features a staggering amount of storage and livewell capacity, ensuring you're always ready to fish at your best. The transom livewells hold 60 gallons each, while the rear in-floor livewells/fish boxes provide another 60 gallons each. For longer trips or big hauls, the midship and forward in-floor fishboxes each hold 190 gallons (760 qts), giving you unmatched space for your catch. At the center console, the coffin box offers 210 gallons (840 qts) of insulated storage, and there's even a 14-gallon cooler/pitch well and a 136-quart mezzanine cooler to keep drinks, bait, or additional fish fresh and ready.

Like every Caymas boat, the 44 CT is fully customizable, giving you the opportunity to design a build that reflects your personal style and fishing needs.

The Caymas 44 CT is a bold statement of innovation, craftsmanship, and commitment to excellence.

Step aboard and experience the new gold standard in offshore center consoles.

**KEEPING PACE WITH CAYMAS TRADITION,
THE 44 CT DOESN'T JUST FOCUS
ON PERFORMANCE, IT ALSO DELIVERS
LUXURY AND COMFORT FOR
FAMILY OUTINGS.**
